## Choose Charter-a Group

Charter-A Ltd vet all aircraft to ensure that they have valid and up to date safety certification to the highest standards.

Charter-A arranged around 3,000 charter contracts each year consisting of tens of thousands of flights.

All clients are allocated a personal account manager who will deal with your request and the details surrounding your flight, get to know your personal preferences. Each account manager works with a team offering support 24 hours a day.

Charter-A Ltd has healthy annual revenues . Small charter companies offer the aircraft, but not the security, experience and back up of a larger organisation such as Charter-A Ltd.

Charter-A Ltd provide value for our customers based on their requirements. With thousands of aircraft available, the lowest price on the market can often mean the lowest quality, and reliability of aircraft. Charter-A Ltd offer a range of options to allow you to make informed decisions based on factors such as price and quality. Charter-a Ltd offer some of the most competitive prices on the market, but where we make the difference is providing value.
